

Erasmus+ Staff Training Week Program

May 13-17, 2024 - Budapest

Monday (13 May)

After the registration, during a welcome meeting the programme of the week is going to be presented.

The three organising universities are going to present themselves in a detailed speech. After the lunch, a Team Building Session will be held, after which there is going to be voting about the Posters.

Tuesday (14 May)

After gathering (coffee, tea, cakes) and presentation of the programme, the Library of the Faculty of Law and the network of the Libraries of ELTE is going to be presented – the session will be continued after a coffee break.

In the afternoon there will be a presentation about the Hungarian Science Bibliography and the Electronic Information Service National Programme.

The day will end with a community programme.

Wednesday (15 May)

After some snacks and programme, we take a walk at the Budapest Corvinus University and its Library. Getting information about the Corvinus Research Data Programme and User Experience is also part of the morning.

In the afternoon we go to the Library of Pázmány Péter Catholic University to gain knowledge about their best practices.

Thursday (16 May)

The programmes of the day are the guided tours in the House and the Library of the Parliament as well in the Buda Castle.

Friday (17 May)

The first part of the day is about processing of the posters and in the afternoon, we are going to close the week with announcement of the results, prizes, certifications.
